

RUN YOUR CITY SERIES

We're reducing Single-Use Plastic - ARE YOU?

FNB RYCS City Clean Ups:

Taking responsibility to make a change and educate our population on the importance of litter free cities

Plastic Free Registration:

- No plastic bags for goodie bags
- No plastic packets for race numbers

Race numbers are made from recycled plastic bottles

80 thousand less plastic packets:

doing away with individually wrapped event Tee's and medals

Refillable Hydration stations

- Cut down waste by using your own water bottle. #ICarryMyOwn
- Limited water sachets to encourage athletes to be self-supported.

Paper drinking cups with no plastic lining

Litter Zones

Designated litter zones to keep the route litter free #RunClean

85%
Less plastic water sachets on route

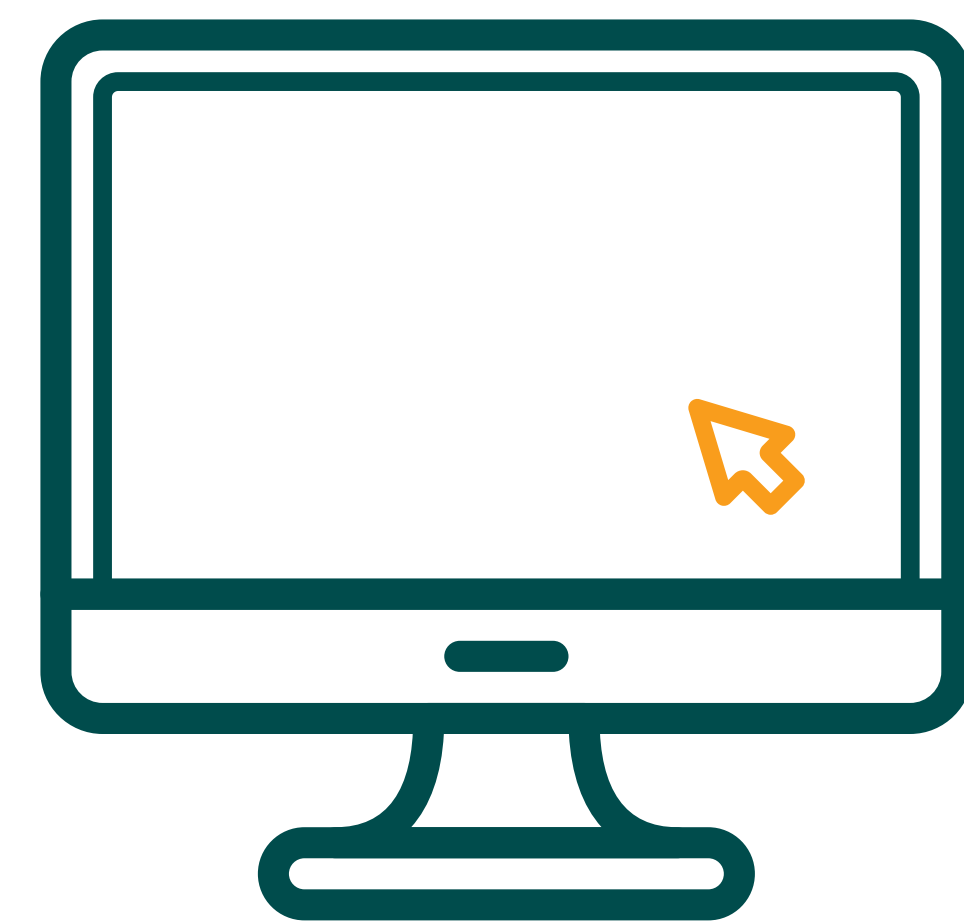

Recycling bins around the entire race village

Tracking our commitment to recycling with detailed post event accreditation reports

Used paper cups, cans & plastic bottles to be recycled after the event

We're going paperless

- online registration
- e-confirmation
- e-race guide
- e-certificate

We're Reducing!

- Gaining the support of event partners to eliminate plastic where possible
- Using reusable cable ties for branding and signage
- No plastic wrapping for branding from suppliers
